SPECIAL AND PATENTED MACHIN-ery built. Let us develop your me-chanical ideas along that patent you have been thinking about; liberal proposition, C. B. FORD CO., Trigg Shipyard, 'Phone 3028,

Five games have been played, in which a total of pineteen men who are cendidates for positions on the Richmond league team have participated. The pitchers have been in for only two to four innings, and have therefore had little chance to show what they can do with the stick. In other positions, notably third-base, catcher and the outfield, no man has participated in all the games,

Long, Richmond's heavy-hitting pitcher, has been at but once, but he smashed out a safety that time, and has the perfect record. Next to him in batting comes Phil Hinton, who, with nine times up, lined them out for an average of .556, and may really be said to lead the batters. Shafter, who was at bat but twice before his hand was hurt, made one single, and has an average of .500. Little O'Neill, who played throughout all five games, hit for an average of .263, which is about as good as the best on the team did last season. Hefron, in the outfield, another of the probationers, had seventeen chances to

swat the ball, and hammered it four times to safe territory, earning an average of .235. Cassidy, with four chances, landed one safety, and has an chances, landed one safety, and has an average of .250, Reeve, who played in five games, has an average of .182, and Brown, who played in but three, has the same figure. Titman, who was at but twenty-one times, and Vetter, who came up but seven times, each hit at a .143 clip. Kelley, in twelve times up, has landed safely but once, giving him an average of only .683. Kirkpartiel, who has played in four games, has not been credited with a safety in fourteen times up. Long and Cassidy are the only pitchers to WANTED, EVERYBODY TO KNOW that we are in our big new home, Adams and Broad, JURGENS, DRESS AND TUXEDO SUITS FOR rent. SCHNURMAN, 918 E. giving him an average of only 083. Kirkpatrief, who has played in four games, has not been credited with a safety in fourteen times up. Long and Cassidy are the only pitchers to land safety on the ball.

These figures are based on three games with the strong Montreal team one with Richmond College and one with Richmond College and one with the New York Americans. Of the chance yet, not having got their eyes on the ball, nor had sufficient early practice. They have been against some excellent pitchers, too. O'Neill and Hoffron both promise to make good with the stick, and young Votter is apt to make a better showing when he has a few more swats at the ball. Reeve is fielding beautifully, and when he has a few more swats at the ball. He will up among the hitters last season and will be there again when he gots his stride.

One man in the outfield and a strong hitter at third will about complete the first and sequaled Hick's record. But it is rather too early to judge. The weather of the season began, and the Wanted.

men were in poor shape at the beginning of the practice senson.

Bob Wallace, Richmond's new outfielder, arrived from Atlanta last night. Wallace was brought here to take the place of Brown, who received his release on Saturday.

Wallace seems a good man, and he comes highly recommended. He bats anywhere between .260 and .275, and has a fielding record somewhere about the .900 mark, He is a splendid thrower, and is able to land the ball in home on a line from almost anywhere in the field. Manager Shaffer says he will be the best outfielder in the league, barring none, and the captain places his new man on a level with many outfielders who are in faster company.

Brown has not yet secured another berth. He is very anxious to get a job with some team in the Virginia State League.

It seems that the majority of the

Wilmington, Del., of the big Tri-State League, will be here to-morrow and Wednesday for a game on each of those days. The Lawmakers will show up in better form against the Delaware leain than they did against the pitching staff of the New York Americans, for they will have recovered from their stage fright, and will be in somewhat better shape. Long, Cassidy and Still will probably be put into the firing pit in the first game, and the other pitchers will work in the second contest.

On Friday and Saturday Baltimore, of the Eastern League, will be here. The Baltimore game will excite much interest, as they were here last year

The Baltimore game will excite much interest, as they were here last year in the early part of the season. These four games with strong minor organizations should do the locals a world of good, and Manager Shaffer is hoping that his men will be greatly benefited by them. It is probable that Shaffer will be able to play in these games, and the men always play better when his cheering voice is heard from the initial bag. His presence on first-base lends a powerful moral support to the rest of the players, and there is correspondingly better playing on their part.

The pitching of Doyle, who pitched for the New York Americans here on Friday, is being favorably commented upon in New York, and it is said, that he will be slated to do some of the star slab work of the Americans this sea-

Four Teams of City League to Race for Championship.

Race for Championship.

The wind-up of the bowling season will take place to-night, when the four teams of the City League will roll for the championship. There is but one game difference between the two leading teams—the Crystals and Olympias. Three games will be played between these two at the Cook Alleys. The Crystals have won twenty-two and lost eleven; the Olympias have won twenty-two and lost eleven; the Clympias have won twenty-two and lost eleven, if the latter wins all three games to-night the Crystals will lose the championship.

The Hanovers and the Columbias are low in the list. Their games will be played at the Williams Alleys.

During the week an all-Richmond team will be formed to represent the city at all the seasons of the National Bowling Congress. The next meeting of the congress will be held in Cincinnat, and it is the purpose of the new team to enter the contests and make a good showing for the city.

NORFOLK TEAM MAY **GO TO NEWPORT NEWS**

[Special to The Times-Dispatch.]

NORFOLK, VA., Anril 7.—Otto Wells, president of the Norfolk Baseball Club, of the Virginia State League, donled to-night the current report to the effect that the Norfolk franchise has been sold to Nowport News for \$6,000, although the franchise has been offered to a syndicate in the shipbuilding city for that amount.

The reason for the willingness of Wells and associates to sell is the lack of interaction the game here, and inability to secure strest car service to the ball park on second to the emposition.
